**Prairie City State Vehicular Recreation Area  
Appreciation Day**

**Rancho Cordova, CA –**

Prairie City State Vehicular Recreation area will hold its second annual Visitor Appreciation Day on October 16, 2011, from 10:00 AM until 5:00 PM. Park admission will be free during the event. This event is designed to showcase the wide variety of recreational opportunities that are offered at Prairie City. This year the event will coincide with the opening of the first stage of the new 4X4 obstacle course. There will be demonstrations and displays of various recreational activities, including trials riding and rock crawling. "Come out and see all that Prairie City has to offer for off-highway recreation," said Jason DeWall, Prairie City SVRA Superintendent.

Local off-highway vehicle dealers representing motorcycles, All Terrain Vehicles, and Recreational Utility Vehicles will be on hand displaying some of the latest innovations. Some of the dealers will offer demo rides. Several local off-highway vehicle clubs will have booths displaying their activities and information on how to get involved. There will be a free raffle and giveaways.

This is our day to say thank you to all of our visitors. If you have never been to the park this is a great time to come out and experience the many recreational opportunities that Prairie City SVRA has to offer.
